Mission of the Month: Chain Foundation was setup to deal with the high number of children who were left orphaned in Uganda and to assist with the health and education of others in the area. Today the Chain Foundation have a Home for Children, farms which help make produce to keep the foundation self sufficient and schools for all ages and abilities including the blind. The children utilize devotions that are held every evening to know more about Jesus' love and also strengthen their covenant with God. They also use it as an opportunity to thank God for their lives, the sponsors, aunts and uncles, families and other great things that the Lord has granted them in life. Chain Foundation Uganda is grateful to all the people who support the ministry, financially, spiritually and any other kind of support.
