Today

12th April 2020 - Easter Day

An update from Rev Nigel Adams

Dear Friends,

As I write this, I find that I am becoming aware of an increasing number of people who have contracted coronavirus. Our prayers are particularly with Boris Johnson, our Prime Minister, in intensive care as I write, for healing for him and for all who have contracted this very unpleasant virus. We also pray for all who have been bereaved, including those affected by coronavirus and others in our church family.

As we face uncertain times, let us remember some words of hope, written in another national crisis when Jerusalem lay in ruins, "*Because of the Lord's great love we are not consumed, for his compassions never fail. They are new every morning; great is your faithfulness.*" (Lamentations 3:22-23)

"**Worship on the Web @ St Michael's**" continues with our weekly adults services and children's & families services (and more services over Easter), for those who can watch on the internet. We have now started a new facility called, "**St Michael's by Phone**". This is for anyone, but particularly for those who can't watch our services via the church website. If you dial **01376 333565** you will be able to listen to this Sunday's online service. You will be offered a number of options, for the Notices, Prayers, Hymns & Songs and Bible reading & sermon. Phone calls will be charged at the local rate. (There may be a short pause before you hear it).

This Easter time, let us remember Jesus, who suffered and died for us, then rose to life to bring us both forgiveness and eternal life. As John wrote in his letter, "*I write these things to you who believe in the name of the Son of God so that you may know that you have eternal life.*" (1 John 5:13)

With our love and prayers this Easter time,

Nigel

Christian Radio & TV

Why not listen to Premier Christian Radio (Freeview channel 725 or on the internet) or watch Clayton TV (available on the internet) for some great teaching and worship?

10 of Those is an excellent place to find and order Christian books online – see www.10ofthose.com/uk/. Please consider supporting 10 of Those (who came to St Michael's Church at Christmas) by browsing and ordering Christian books, especially if you find you have more time to read, with the current restrictions.

Care for the Family is a Christian charity which aims to promote strong family life and to help those who face family difficulties. They provide Parent, Marriage and Bereavement Support and now include COVID-19 Support – see the following link to their website: www.careforthefamily.org.uk/family-life/covid-19-support-for-your-family.

Mission of the Month: Make Jesus Known (MJK) This month please pray for MJK's on line work which has been deliberately expanded to make the most of the current situation. Please pray that Tim will be well enough to continue the daily Spirit Boost talks (he has Covid19) and that they would be effective. Please pray that the team would work effectively now they are fragmented and none would feel left out. Please pray for those who see the online material that God's spirit would bring them to Christ and they would make contact with Tim or another Christian who can disciple them.

Tim & Charissa Cooke and team have a helpful website and an iPhone app (iTruth) – they are putting on daily thoughts and other useful material. It can be accessed via <https://makejesusknown.com/itruthapp#/>
