

ASK, SEEK, KNOCK

Here is a selection of possible games and activities that you may wish to try as a family.

Pick and choose the ones that are most age appropriate.

HIDE AND SEEK

Write the words from Matthew 7 v 7 on pictures of speech bubbles, magnifying glasses and doors. Hide the words around the room. Find them and put the verse in order. Can you learn it and add you own actions?

*7 "Ask and it will be given to you; seek and you will find;
knock and the door will be opened to you.*
