Video recording in church

Some of our services are now being video recorded, and uploaded later to **YouTube**. Please note that those sitting in the front three rows, in the centre, may be on the video recording.

In church

- **Legal requirements** have now been dropped and replaced with guidance and advice. Guidelines recommend **face coverings** in enclosed or crowded places, particularly where you come into contact with people you don't normally meet. We therefore encourage the wearing of face coverings in church, unless you are exempt, including when singing.
- The church is set out in "**zones**" – the central blocks of seats are unrestricted, Side pews are socially distanced. To help with social distancing, anyone attending can take a sticker saying, "**Please give me space**" and/or sheets to place on the seats next to you saying, "**Please do not sit here**".
- Government guidance says, "**Social distancing** in a place of worship is now a personal choice. People are encouraged to respect other attendees and those working who may wish to adopt a more cautious approach."
- If you have had a recent **positive Covid test , Covid-19 symptoms or feel unwell**, please do not attend church, out of respect for others.

Online

Our YouTube services can be accessed via the Worship tab on the St Michael's Church website (or through the "St Michael's – Worship on the Web" YouTube channel). The latest service is also available through "St Michael's by Phone" currently updated on a Tuesday – just dial 01376 333565 (phone calls charged at the local rate). Both the online and phone versions of the service are available throughout the week.

Open Door Watch List 2022: copies are now available at the back of church for those who requested them – there are some spare copies as well. The Watch List has the top 50 countries where following Jesus costs the most. Please speak to Ade Odupitan if you have any questions.

Mission of the Month: The Chain Foundation was set up to deal with the high number of children who were left orphaned in Uganda and to assist with the health and education of others in the area. Today, the Chain Foundation have a home for children; farms, which help to keep the foundation self-sufficient and schools for all ages and abilities including the blind. The children utilize devotions that are held every evening to know more about Jesus' love and also strengthen their covenant with God.

SMASH holiday club starts tomorrow in the Easter holidays (Monday 11th April - Wednesday 13th April) and is suitable for children of primary school age. We are hosting the children (rather than whole families) and we have made the decision to run the club for three longer morning sessions (rather than five shorter ones). As usual there will be lots of fun including Bible stories, games, craft and much more.

Support for Ukraine: if you wish to provide humanitarian support for Ukraine, two of our link missions are working in the region:

- **Tearfund** are part of the Disasters Emergency Committee: <https://www.tearfund.org/campaigns/ukraine-crisis>.
- **Barnabas Fund** are taking donations of clothing, food and blankets. They have a depot in Ilford to act as a collection point for these and a phone number for further information: 01793 317778: <https://www.barnabasfund.org/gb/>.

First Priority Prayer Meeting: will be on Zoom on Tues 12th April, 8-9pm. There is much to pray about, for our nation, our world, and for churches. Sign up details are in the weekly email, or contact Nigel on revnigeladams@gmail.com.

Hope Explored is a new 3 week course, from the Christianity Explored team. We will be running it on Mondays 9th, 16th & 23rd May from 7.30pm and will decide nearer the time whether it will be in person or on Zoom. Please speak to Nigel or Jo Adams if you have any questions about it.
